

The Division of Behavioral Health and Recovery presents:

Wellness Recovery Action Plan Training Opportunity

This 3-Day WRAP training will prepare peer specialists to teach peers in a one-to-one setting how to create a Wellness Recovery Action Plan.

Space is limited to 25 individuals per training. Priority will be given to employed certified peer counselors, however space may be available for non-employed certified peer counselors, as well as others providing peer support.

Training dates and locations:

- Spokane, July 27-29, 2010
- Wenatchee, August 17-19, 2010
- Mount Vernon, September 14-16, 2010
- Puyallup, October 12-14, 2010
- Vancouver, October 26-28, 2010

Please return your registration by: Friday, July 2, 2010.

Individuals who attend will be provided the training, materials, and lunches free of charge but will be responsible for their own transportation, lodging, and other meals. Those who require financial assistance in order to attend, are encouraged to contact their employer or other entity as the Division of Behavioral Health and Recovery does **not** have funding for these costs.
